

**Annie Cunial**  
**Division Director STEM Programs**  
**San Joaquin County Office of Education**  
**Stockton, CA**

Annie Cunial is the Division Director in the STEM Department at the San Joaquin County Office of Education. In this role, Annie has the privilege to work with the best STEM educators and supporters in the state at the SJCOE. "Supporting, directing, and encouraging the STEM Staff at the SJCOE is the best job you can have in education. Every day we provide innovative programs that empower and spark excitement for the students and educators in our county."

Annie is a member of Leadership Stockton Alumni Association, American Association of the University of Women, Government Relations Council of (Greater Stockton Chamber of Commerce), Leadership Stockton Board Member, Women International Committee, and Community Advisory Board of the Delta Aquatic Center of Stockton. She received her BA in Social Work from CSU, Chico, and her MA in Educational Management from the University of LaVerne. While working in Manteca Unified School District for 18 years, Annie was an elementary, junior high, high school, adult ESL teacher, and site program coordinator. In 2011 she was hired by SJCOE to serve as the Coordinator of Student Events and Activities where she organized county academic competitions. In 2018 she was hired to oversee the acquisition and development of Sky Mountain Outdoor Education Center. Annie is proud to have attended elementary school, high school, and junior college in San Joaquin County. Her husband is a teacher at Sierra High School in Manteca, and they have three children.
